The Parent Connect

A Weekly Newsletter to Keep You Informed

Vol. 3, Week of: January 13 - 17

COLEMAN
MIDDLE SCHOOL

Coleman Middle School

Coleman scholars, in a new location, were excited to face the week's challenges. They were particularly eager to take on the mental challenge of building their robots and entering the correct codes to make them move.

Leland School Park

Leland scholars investigated various aspects of filmmaking. They not only wrote their own scripts but also practiced filming scenes to understand what it takes to produce a full-length film.

O'Bannon Middle School

O'Bannon scholars were thrilled to participate with our Special Guest, Mrs. Lakeita Price-Turner, who conducted a lesson on personal finance and investing.

T.L. Weston Middle School

Weston scholars were thrilled to join Dance with Ms. June. As always, she brought intricate choreography that challenged our scholars both mentally and physically.

PARENT INFORMATION

STEAM Tip of the Week

Encourage your child to get involved — but not overscheduled.

DATES TO REMEMBER

- Parent Meeting – January 27 @ 6:30 PM
 - Location: Buster Brown
- Progress Reports – February 5
- President's Day (No School) – February 17
