**A Weekly Newsletter to Keep You Informed**

**Vol. 4, Week of: January 20 - 24**

**COLEMAN**  
MIDDLE SCHOOL

**Middle School**

Coleman scholars learned about the Distributive Property in math and were asked to explain their answers to demonstrate their understanding.

During dance, the scholars were excited to learn the next part of their routine with Ms. June.

**Leland School Park**

In the "Who's the Boss" activity, students read and edited their peers' writings, which taught them the importance of collaboration and receiving constructive feedback.

During the "House of Butterflies," Landon Lockhart presented a poem he had written.

**O'Bannon Middle School**

O'Bannon scholars worked with Mrs. Kirk to understand the difference between the diameter and radius of a circle.

The scholars were excited to start working with drones this week as they continue to prepare for our drone competition.

**T.L. Weston Middle School**

Weston scholars are engaged in reading "Yummy" by G. Neri, discussing the book, sharing ideas, and learning new vocabulary.

Weston scholars learned to treat wounds and sprains with ACE bandages during their CNA class.

**PARENT INFORMATION**

**STEAM Tip of the Week**

Make time to discuss school activities, assignments, and challenges. Show genuine interest in their learning and experiences.
